# SCC Twin Cities Chapter Chair Chat

Greetings TCCSCC Members!

I hope everyone has been enjoying the lovely weather we've been having this summer! The weather was an especially good sport during our Annual Golf Outing this past June which was quite the success. This year we had 96 golfers register for the event, which was our biggest turn out in years! Thanks to our many sponsors for their generous support as well as a great thank you to Steve Beauchaine and Phil Leith for their time and effort spent coordinating this event. Lastly, thank you to everyone who came out and enjoyed this event, your attendance and support truly made this event a great one!

As we transition into the fall season this also comes with a jam-packed TCCSCC schedule. Our upcoming chapter meeting will be held on September 19th at Bad Weather Brewing Company in St. Paul. The event will feature educational brewery tours encompassing fermentation and scale-up processes as well as an interactive Supplier Poster Session. The poster sessions are an excellent way to learn about new technology and ingredient highlights in a short period of time. Please visit the TCCSCC website to register for the event. There are still some supplier poster slots available however they are limited, please contact TCCSCC Secretary Maggie Vold ([mvold@glenncorp.com](mailto:mvold@glenncorp.com)) by September 8th for more information. In addition, Area III director Michelle Hines will be visiting our chapter during our September meeting; I hope many of you are able to join us for this fun event!

Continuing into the autumn season we will have monthly meetings on October 17th and November 21st. November will serve as the chapter officer installation meeting along with a speaker portion. The board is still netting out speakers for these events so if you have a suggestion for an interesting speaker or speaker topic, please let us know! The Holiday Party will be held on Tuesday, December 5th and keeping up with our annual tradition, the venue will be the Roseville Radisson. This event is certain to be a fun-filled casino night and be sure to keep on the lookout for some new casino games at this event! Finally, the 71st Annual Scientific Meeting & Technology Showcase will be held on December 11 – 12th at the Westin New York at Times Square. This 2 day event is full of interactive educational experiences from an esteemed panel of innovators and thought leaders providing pertinent details on cosmetic science research, trends, and regulations. I hope to see you there!

# 2018 Call for Officers

Below are the open positions and descriptions of the positions:

## CHAPTER CHAIR-ELECT

- This is a 2 year commitment position. The position of Chair-elect is a learning position for the person who will assume Chapter leadership at the conclusion of the Chair's term. The more involved the Chair-elect is in the activities of the Chapter, the easier it will be for the person in that position to assume overall responsibility. The Chair-elect, as an Officer of the Chapter, is authorized to sign contracts on behalf of the chapter and to sign checks issued for valid Chapter expenses. The Chair-elect has the fiduciary responsibility to see that members' monies are appropriated according to Society Policy.
- The Chair-elect is a member of the Area Council and a member of the Committee on Chapter Affairs.
- The Chair-elect will be called upon to fill in during the absence of the Chair.
- Various duties are assigned to the Chair-elect in accordance with established Chapter practices and in accordance with Chapter Bylaws. It is important that the Chair-elect read the Chapter Bylaws and specifically consult those sections of this manual which apply to any responsibilities which he or she might be given.
- The Chair-elect should be responsible for the Chapter programs during his term as Chapter Chair therefore his planning efforts in this area should begin with his term as Chair-elect.
- The Chair-elect is also responsible to see that the officers adhere to Society Policy regarding scholarships and charitable donations.

## CHAPTER TREASURER

- This is a 2 year commitment position. The Treasurer must work closely with the Chair and be involved in House, Program, Social, Awards, Newsletter and Publicity since all involve the expenditure of funds as well as the collection of income.
- The Treasurer has the responsibility for accurate

record keeping, for working with the Chair and other Chapter Committees in developing budgets (the operating budget as well as budgets for special events) and in monitoring all income and expenses. In addition, helping to prepare IRS forms, if necessary, and for the maintenance of checking, savings or investment accounts.

- The term of Treasurer will be from January 1 to December 31. The Treasurer will act in an advisory capacity to the new Treasurer for three months after his term of Treasurer ends (until March 31st.)
- The Treasurer is also responsible to see that the officers adhere to Society Policy regarding scholarships and charitable donations.
- The Treasurer should keep accurate records of the menus, cost of meals, etc.

## CHAPTER SECRETARY

- The Chapter Secretary is responsible for ensuring the Minutes of all Chapter Board meetings are prepared and distributed. The Secretary, as an Officer of the Chapter, is authorized to sign contracts on behalf of the chapter and to sign checks issued for valid Chapter expenses. The Secretary has the fiduciary responsibility to see that members' monies are appropriated according to Society Policy.
- Ensure that all Minutes of the Executive Committee and Board meetings are sent to Area Directors and to the SCC National Office.
  - 1) Notify the National Office with the names of potential candidates running for Chapter Office in order that their membership status can be verified before the ballots are printed. (Officer Eligibility Form)
  - 2) Ensure that ballots are mailed according to Chapter Bylaws and that when the address label file is requested from the Nation Office for Chapter elections, that the request is made for "voting members".
  - 3) Notify National with the results of the Election, including the name, address, phone, fax, and e-mail of the newly elected Officers.
- The Secretary is also responsible to see that the officers adhere to Society Policy regarding scholarships and charitable donations.

We are also looking for volunteers to fill the positions of House Arranger and Newsletter Editor. If you are interested in either of these positions or would like more information, please contact me, Maggie Vold (mvold@glenncorp.com).
