SCC Twin Cities Chapter Chair Chat

As 2015 comes to an end, so does my term as Chair of the wonderful Twin Cities Chapter (TCC). We had an eventful year in 2015, full of educational meetings and fun activities. It was indeed an honor to serve as the Chapter Chair alongside a dedicated board. I would like to thank the board for their hard work and dedication. In addition, I would like to thank Chad Pavlis our newsletter editor and our website manager. Chad did a great job giving TCC a new face through the updated website. Be sure to frequently visit the website (www.tccscc.org) to stay connected and get updates on upcoming events and meetings. A special vote of thanks to Debbie Carroccio – our house arranger, for diligently finding us good meeting locations serving delicious food!

The last quarter meetings of 2015 started with a popular event, the poster session on the boat on the beautiful Mississippi! This event provided a platform to suppliers/ companies to highlight new technology and/or ingredients. We had a good response from the Suppliers and members enjoyed the opportunity to learn something new in a delightful setting.

The October meeting was held at Jax café, Minneapolis. Area III director, Michelle Hines visited our chapter and joined us for the board meeting. Quinn Ryder, Active Concepts LLC was the speaker for the meeting who discussed the potential link between skin lightening and the histamine pathway and the role of inflammation in the body's response to outside stimulus. He also focused on the potential applications of topical cosmetics for localized hypopigmentation.

November served as the chapter officer installation meeting month along with the regular technical session at Heyday, Minneapolis. The technical talk was presented by Dr. Nadim Shaath. It was our pleasure to have Dr. Shaath as a speaker who highlighted and summarized current status of the Sunscreen Innovation Act. The presentation also included a brief discussion on the impact of air pollution and the environment on the skin. Area III director, Liz Strelan conducted the officer installations of the 2016 board members - Justin Steinke (Chair); Samantha Guertin (Chair-Elect); Brandie Johnson (Treasurer) and Samantha Anderson (Secretary). Congratulations to the newly elected board!

The month of December brings in the holiday spirit. TCC's Holiday party is slated for Tuesday, Dec 15th. Keeping up with our annual tradition, the venue is the Radisson at Roseville for the fun-filled casino night! Every year, this event has been a great success. A special vote of thanks to all our sponsors for their generous donations and for supporting our chapter. As a tradition, the chapter will collect donations for Toys for Tots. The toy donations will then be delivered to the charity following the party.

It has been a rewarding opportunity and an absolute pleasure to serve as the 2015 TCC Chair. I would like to thank the speakers, members, volunteers and sponsors for making 2015 a successful year! I am confident 2016 will be another rocking year for the Twin Cities Chapter!

Sincerely,

Smita Fulzele
