# SCC Twin Cities Chapter Chair Chat

## Greetings TCCSCC Members!

Hope you all are enjoying the nice spring season! With summer just around the corner, it's break time from TCCSCC meetings. But, we meet in June for the most awaited and most popular 'golf outing'!

I would like to start by thanking our National SCC for offering a continuing education class for our chapter. The Continued Education Program (CEP) is a great resource for all members with varying levels of experience. The SCC is providing new courses from Feb 2015 forward. The line-up of courses and information on the experts teaching the courses can be found near the end of this newsletter as well as in the events section of the national website at [www.sconline.org](http://www.sconline.org).

The CEP course at our chapter was a day long seminar held on April 21st. I would like to sincerely thank Dr. R. Wickett for an interesting and informational seminar. The seminar first highlighted the importance of instrumental analysis of the skin and then delved deeper into methods and instrumentation of analysis of skin. I thoroughly enjoyed the class and was a great refresher - I hope you all enjoyed the class as well!

As mentioned earlier, we meet in June for the golf outing. Our chapter secretary, Gabrielle Damjanovic has sent out the details regarding the outing. If you have any questions, please don't hesitate to contact her or any one of us on the board.

The board is working out details and finalizing meetings for the last quarter. In September we will have the boat cruise with the poster session, just a heads-up if you would like to present at this session!

The National SCC is soliciting manuscripts for publication in the Journal of Cosmetic Science. The scientific manuscripts can be related to cosmetic science and the industry.

Please let me or any of the board members know if you have any questions, suggestions, or comments. See you all at the golf outing!

Best regards,

**Smita Fulzele**

# Employment

## Midwest Sales Representative, Outside Sales

*Essential Ingredients* is distributor of specialty chemicals for the personal care and HI&I industries. We contribute to the success of our customers and suppliers in these markets by meeting the needs for technical sales support, exceptional customer service, superior products, timely delivery of raw materials, and, very importantly, innovation.

Our ideal candidate will demonstrate knowledge and skills in several key areas:

- Represent the company's defined culture, values, and business philosophies.
- 80% or more of your time should be spent in front of customers in order to develop and implement strategies in order to achieve sales goals.
- Depending on location, 25-50% travel. Potential coverage area: MN, Dakota's, Iowa, MO, NE, KS, northern WI, and possibly some IL.
- Utilize business and industry knowledge to grow a defined territory and build contact database while developing key accounts.

### Desired Skills & Experience:

- Bachelor's degree from accredited college or university, science degree preferred
- 3-5+ years chemical sales experience, preferred industries: personal care, HI&I, pharma
- Strong interpersonal skills and technical aptitude
- Willingness to work nonstandard hours to accommodate travel. 25-50% travel required

For interest in this position, please submit a resume to: Kristin Kunik: [kkunik@essentialingredients.com](mailto:kkunik@essentialingredients.com)
