SCC TWIN CITIES CHAPTER CHAIR CHAT

Hello Twin Cities Chapter members!

What a beautiful summer it's been here in the Twin Cities area! We had a terrific turnout once again for our annual Golf Outing at Bunker Hills Golf Club. Thank you to our many sponsors and to the co-chairs of this great event, Phil Leith and Steve Beauchaine. We can't wait for next year!

As we turn the corner into fall, I'm excited to share with you news about a new venue and interactive event. On September 17th, we will hold our annual Poster Session at the new Top Golf location in Brooklyn Center, MN. We will be limiting the number of posters to 10 total, and are also seeking sponsorships for this event. Please see the details in this newsletter and online at tccscc.org. So that we might ensure all poster presenters have the opportunity to share their information with all attendees, we'll be starting the meeting at 6pm sharp, so please be sure to arrive no later than 5:45pm. Top Golf play will begin at 7pm.

Following our September poster session event, in October we will welcome guest speaker Dr. Joy Roederer, Vice President of Research and Development for Integrity Ingredients Corporation. November brings new board member inductions, presentations on CBD/Hemp, and December our Holiday Party rounds out the year. Please note that this year, the annual SCC meeting in NYC will be held December 16 - 18 at the Sheraton Midtown, the same great venue as in 2018. Don't delay in making your reservations!

I'm excited to report that our Twin Cities Chapter membership continues to grow, and I'd like to encourage all of you, especially our young Chemists, to get involved and to share your ideas and talents. In particular, we are seeking members interested in running for a board positions, and also volunteers for Marketing/Social Media, special events and outreach. Anyone interested, or with questions about how to get involved, please reach out to me or any of our board members!

Thank you,

2019 TCC-SCC Chair

INDUSTRY EVENTS

September 12 – 14, 2019

Disney's Yacht and Beach Club Resort

CA Suppliers' Day serves as one of the most important North American events on the industry calendar. The event attracts thousands of the industry leaders in the market and has become the showcase for the latest innovations, on top of being an excellent networking opportunity. This is the ideal show for raw material suppliers, testing labs, equipment, regulatory, packaging and contract manufacturers.

October 2-3, 2019

Long Beach Convention Center
300 Ocean Blvd
Long Beach, CA

SEPAWA CONGRESS:
The annual SEPAWA Congress is the most significant meeting point of the detergents/cleansers, cosmetics and fragrance industry in Europe. Scheduled for October 23 - 25 in Berlin, Germany, the SEPAWA lecture program will cover a number of different topics in the areas referred to above.

2019 Fall Technical Symposium

October 8, 2019, 8:00 am – 3:30 pm
Belvedere Banquets, Elk Grove Village, IL

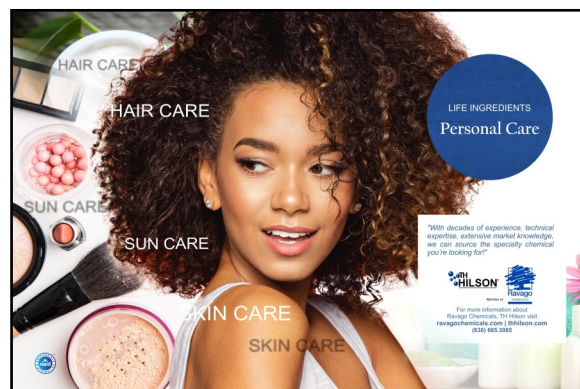

The Society of Cosmetic Chemists Midwest Chapter, Inc. biannual Fall Technical Symposium is the Midwest's technical event where scientists in the cosmetic and personal care community gather to educate, collaborate and innovate in an effort to advance the field of cosmetic science. This year's theme is **Cosmetic Science in the Digital Age**.

Students: SUBMIT YOUR POSTERS

In support of the NextGen Initiative, once again we will have a student poster section at the Society of Cosmetic Chemists Midwest Chapter's biannual **Fall Technical Symposium**. We strongly encourage both undergraduate and graduate students studying any scientific field to **SUBMIT A POSTER TOPIC**. **Deadline to submit a topic for presentation is September 1, 2019**. Hotel rooms can be arranged for students traveling from a distance. Travel expenses will also be covered.

Every student poster participant will receive a \$50 gift card to and may qualify for a free SCC membership. First place winner will receive an all expenses paid two-night trip to New York City to participate in the New York SCC Suppliers' Day Future Chemist Workshop in May 2020. Second place winner will receive \$150 and Third place winner will receive \$100.
